The NBI's We Mean Business Newsletter: Edition 3

24 February 2017

This is the NBI's third On a Clear Day Special Edition newsletter: the official newsletter for the NBI's We Mean Business Campaign 2016 - 2017

Preparing Business for a Low Carbon Sustainable Future

[NBI We Mean Business Opinion: It's Time for Business to Commit](#)

It is mid-February and it has already been a turbulent political year (globally and locally). In the absence of confident political leadership around the world it is to business that people are turning...[\[Read more\]](#)

Post-Davos Dispatch: The Low-Carbon Transition Takes Centre Stage

The World Economic Forum (WEF) in Davos, January 2017, marked many milestones on the path to a truly low-carbon economy and saw climate issues taken right to the heart of the global agenda...[\[Read more\]](#)

By We Mean Business

The 12th Edition of the **Global Risks Report 2017** highlights the most significant long-term risks around the globe from the past 10 years and focuses on five priorities facing 2017, and the efforts required to minimise the impacts of these risks.
