INFORMATION SESSION ON THE REQUIREMENTS FOR THE IMPLEMENTATION OF THE YOUTH EMPLOYMENT SERVICE AND IMPLICATIONS FOR COMPANIES

The crisis of youth unemployment affects every South African. The need for social partners to work together to accelerate and scale-up youth employment initiatives has never been greater. Read NBI's Latest Quick Brief [here](#).

INDUSTRY NEWS

NEW MAP SHOWS THAT ONLY 13% OF THE OCEANS ARE STILL TRULY WILD Just 13% of the world's oceans are now free from intense human activities such as fishing, according to a new map of ocean wilderness areas. [BizCommunity, 1 August 2018.](#)

SWEDEN'S HIGHEST POINT SET TO LOSE TITLE AS GLACIER MELTS Glacier on the southern tip of Kebnekaise mountain shrinks due to record Arctic temperatures. [Agence France-Presse, The Guardian, 1 August 2018.](#)

GENDER EQUALITY: ARE WE ON THE RIGHT TRACK? Recently we have seen a proliferation of men's movements and campaigns in South Africa, urging men to join women in the struggle against gender inequality, particularly men's violence against women and children (VAWC). [Sebenzile Nkosi, City Press, 1 August 2018.](#)

TIME TO SAY GOODBYE TO THE PLASTIC STRAW. BUT WHAT'S THE BEST ALTERNATIVE? In the US and UK alone, 550 million plastic straws are thrown away every day, according to Plastic Oceans Foundation. [EWN, 31 July 2018.](#)

CAPE TOWN'S JULY RAINFALL WAY BELOW AVERAGE Rainfall in Cape Town's water catchment areas was way below average during July, with one weather station recording less than a third of the normal July rainfall. [Politicsweb, 31 July 2018.](#)

FOREST CARBON EMISSIONS ARE SET TO GROW Accelerating climate change is likely to result in growing forest carbon emissions, with serious consequences both for the creatures that find shelter there, and for the global atmosphere. [Tim Radford, Climate News Network, 30 July 2018.](#)

IS TECHNOLOGY THE SECRET TO CLEANING UP THE OCEANS? Our oceans are threatened by three major challenges: climate change, overfishing and pollution. [Rick Stafford, WEF/The Conversation, 30 July 2018.](#)

HOW SHOULD BUSINESSES TACKLE RISKS POSED BY THE SHIFT AWAY FROM PLASTICS? Much is made — not least on this very website — of the crucial importance of measuring, disclosing and addressing the increasingly pressing risks posed to businesses and their supply chains from climate change and the ongoing shift towards a low carbon global economy. [Michael Holder, GreenBiz, 30 July 2018.](#)

BRICS COUNTRIES SIGN ENVIRONMENTAL AGREEMENT The ministers of environmental affairs for Brazil, Russia, India, China and South Africa signed a Memorandum of Understanding (MoU) on Environmental Cooperation at the 10th BRICS Summit. [BizCommunity, 30 July 2018.](#)

BEYOND PLASTIC FREE JULY Here's why we should all try to give up single-use plastics, not just in the month of July but forever. [WWF-SA, 27 July 2018.](#)

CHINA REAFFIRMS PARIS COMMITMENTS AHEAD OF GLOBAL CLIMATE ACTION SUMMIT China will adhere to its commitments under the Paris Agreement to reduce greenhouse gas emissions and is on track to exceed key targets early, despite the U.S. administration's intention to withdraw from the historic climate pact, a senior Chinese climate expert said. [Lawrence MacDonald, WRI, 26 July 2018.](#)

NBI EVENTS 2018

BUSINESS AND GOVERNMENT COP24 PARTNERSHIP: SHOWCASING SOUTH AFRICAN BUSINESS LEADERSHIP AND GOOD PRACTICE – Durban. The National Business Initiative (NBI) invites you to pursue the opportunity of having your company's climate stewardship promoted at COP24 in Katowice, Poland. We invite you to participate in the 2018 South African Exhibition building on the excellent outcome of last year's efforts. We would also like to inform you about the **Talanoa Dialogues** and give you the opportunity to participate in the South African process. The Talanoa Dialogue represents an opening up of the UN Climate Negotiations because non-state actors are able to actively participate and submit their ideas for how national governments can improve their emission reduction targets. If you are an NBI Member company and would like to attend the KwaZulu-Natal roadshow, please click on the following link to RSVP: [Durban - Friday, 3 August 2018: Grindrod.](#)

THOUGHT LEADERSHIP SERIES: TASK FORCE ON CLIMATE-RELATED FINANCIAL DISCLOSURES (TCFD) AND INTERNAL CARBON PRICE – CAPE TOWN AND DURBAN The National Business Initiative (NBI) is hosting a Thought Leadership Series 'working session' on the NBI's latest thinking on committing an internal price on carbon and the TCFD reporting recommendations, for its Members. The session is taking place in Cape Town on the 15th of August 2018 and in Durban on the 16th of August 2018. Please join us to interactively unpack both the Internal Carbon Price and the TCFD in terms of their implications for business within the South African context. Kindly click [here](#) for should you require further information on Climate-related Financial Disclosures (TCFD) and the Internal Carbon Price or as follows to RSVP: [Cape Town - Wednesday, 15 August 2018](#) or [Durban - Thursday, 16 August 2018.](#) Venues are still to be announced.

INFRASTRUCTURE DIALOGUE ON FAILING FORWARD: HOW WE TURN MISTAKES INTO STEPPING STONES Thursday, 16 August 2018 at the DBSA, Midrand. To view the concept note, kindly [click here.](#)

NBI MEMBER COMPANY NEWS

AGRO-PROCESSING SUPPORT SCHEME - APPLICATION WINDOW EXTENDED UNTIL 30 SEPTEMBER 2018 The application window for Agro-Processing Support Scheme (“APSS”) applications have been extended. The window for receipt of applications will now close on 30 September 2018 compared to the previous deadline of 30 June 2018. It is however critical to still submit applications as soon as possible as approvals are subject to the availability of funds. [More information.](#)

NBI INTERNATIONAL PARTNERS

Bringing you news and the latest research from our international partners

CDP CDP in South Africa is a long-standing partnership between the London-based CDP and the NBI. They have built the most comprehensive collection of self-reported environmental information in the world. Over the past 17 years CDP has created a system that has resulted in unparalleled engagement on environmental issues. Read their latest news article entitled: *“How will the next industrial revolution start? Capital goods and low carbon investment?”*, [here](#).

UNGC CEO WATER MANDATE NBI partners with the CEO Water Mandate to encourage water stewardship in South Africa. Established by the UN Global Compact in 2007, and rooted in the belief that cross-sectoral collaboration on shared water goals is the most effective path to more sustainable water management, the CEO Water Mandate is a unique public-private initiative that mobilizes business leaders for water stewardship. *Read their blog article entitled: “Communication 101: Fostering Dialogue, Trust & Accountability With Key Stakeholders”*, [here](#).

WE MEAN BUSINESS (WMB) NBI is the South African partner to WMB. WMB is a coalition of organizations working with thousands of the world’s most influential businesses and investors to accelerate the transition to a low carbon economy. Read their latest progress report entitled: *“India is powering towards a low-carbon future”*, [here](#).

WORLD BUSINESS COUNCIL FOR SUSTAINABLE DEVELOPMENT (WBCSD) WBCSD is a global, CEO-led organization of over 200 leading businesses working together to accelerate the transition to a sustainable world. The NBI is the global partner of the WBCSD in South Africa. Read their latest news article entitled: *“Key organizations signal public support for the Social & Human Capital Coalition”*, [here](#).

SOUTH AFRICAN EVENTS/WORKSHOPS 2018

UNIVERSITY OF CAMBRIDGE INSTITUTE FOR SUSTAINABILITY LEADERSHIP (CISL) SA: SUSTAINABILITY PRACTITIONER PROGRAMME 5 to 8 August 2018 at Intundla, Pretoria. Inviting managers in the private or public sector to influence and guide their organisation to take an integrated approach to sustainability across all functions. The programme is widely regarded as the most effective of its kind. Designed for those specifically charged with driving sustainability in their organisation, this programme provides access to the latest data on the global challenges facing us, tools and frameworks for action, and bold business responses from around the world. Participants explore the strategic implications for their own business, and effective approaches to engage all levels of the organisation. Applications are made via the Cambridge Institute for Sustainability Leadership online application form and all applicants are subject to a selection panel approval. For more information kindly click [here](#) or download the application form [here](#).

LEADING WOMEN IN BUSINESS POWER BREAKFAST 6 August 2018, GIBS, Illovo. The 'Leading Women in Business Power Breakfast' in commemoration of Women's Month. The breakfast session is opportunity to find inspiration in the stories of successful women in business. The conversation will focus on business, industry and the economy at large, as well as touch on issues such as gender bias and the empowerment of women. [GIBS Website](#).

EDUCATION AND JOB CREATION: A PRIORITY FOR ALL SOUTH AFRICANS 14 August 2018 at GIBS, Illovo. It is widely known that basic education in South Africa is in a crisis, with poor standards, high drop off rates and as many as 80% of schools being labelled as ‘dysfunctional’. Worse still, 55% of the million young people entering the job market each

year don't have a matric. This is a dire picture when it comes to finding future employment for them. Youth unemployment is a ticking time bomb. Statistics show that the youth in SA lack the prerequisite skills to fully contribute in the economic growth and development of our country. If this problem is not corrected how do we secure a successful, sustainable future? [GIBS Website](#).

SUSTAINABILITY INSTITUTE: CORPORATE GOVERNANCE & SUSTAINABLE ENTERPRISE 20 to 25 August 2018 The Sustainability Institute, Stellenbosch, Western Cape. This course will investigate business responses to the challenges and opportunities presented by sustainability and the manifestations of social (sustainable) enterprise, with special emphasis on developing country contexts, particularly South Africa. An overarching question is what role, if any, can enterprise play in the transition toward a 'new economy'? Is social enterprise a legitimate 'new economy' trend that imbues a genuine shift in attitudes and behaviour, or is it a veil for business as usual? For more information or to apply please click [here](#).

THE AWS INTERNATIONAL WATER STEWARDSHIP STANDARD 21 to 23 August 2018 in Pretoria, Gauteng. Who should attend? Professionals with corporate sustainability responsibilities, especially those related to water' Consultants wishing to prepare companies for AWS Standard certification and Conformity Assessment Body personnel. Register your interest by contacting: [Dr Mark Dent](#). Further information on the AWS Standard and the Certification systems can be found on their [website](#).

MANUFACTURING INDABA KWAZULU-NATAL 22 August 2018 at the ICC in Durban, KwaZulu-Natal. The annual Manufacturing Indaba Kwazulu-Natal brings together provincial manufacturers and businesses to explore growth opportunities, find out about the latest manufacturing incentives and trends, and provide a platform for networking and collaboration. [Website and further details](#).

ENVIRONMENTAL LAW WORKSHOP 28 to 29 August 2018 at IMBEWU's Offices, Rosebank, Johannesburg. The workshop is aimed at giving attendees a basic knowledge of environmental law and is practical and interactive. It will provide you with the basic knowledge of environmental law to comply with SoE tender requirements. 2018 INFRASTRUCTURE AFRICA BUSINESS FORUM 9 to 10 October 2018 at the Sandton Convention Centre, South Africa. The 7th annual Infrastructure Africa Business Forum will bring together prominent African infrastructure experts, government officials and business leaders to accelerate the business of infrastructure development across the continent. The 2-day conference and showcase exhibition provides an opportunity for companies to focus on the continent's growth hotspots, discuss infrastructure trends, meet project developers and relevant government authorities, whilst exploring infrastructure business opportunities. The event partner is the NEPAD Planning & Coordinating Agency (NEPAD Agency). For more info on this event, or to register for the Indaba, visit: <http://www.infrastructure-africa.com>.

INTERNATIONAL EVENTS, WORKSHOPS & WEBINARS 2018

WBCSD: THE REPORTING EXCHANGE WEBINAR: RANKINGS AND RATINGS 8 August 2018 at 16:00 CEST. The aim is to drive transparency and better corporate reporting - adding value to companies and investors. [Register here.](#)

CARBON TRUST WEBINAR: MASTERING RENEWABLE AND ALTERNATIVE ENERGIES 22 August 2018 11:00 to 12:00 BST. This webinar is for businesses interested in learning more about renewable energy sources and how to assess whether using renewable technologies are a viable option for their business. [More information and registration.](#)

2018 WORLD WATER WEEK 26 August to 31 August 2018 Stockholm, Sweden. Since 1991, World Water Week has been a meeting place for scientists, policy makers, and private sector and civil society actors to network, exchange ideas and foster new thinking around the most pressing water-related challenges of today. It inspires collaborative action and bridges science, policy and practice. It provides a unique forum for the exchange of views, experiences and practices between the scientific, business, policy and civic communities. It focuses on new thinking and positive action toward water-related challenges and their impact on the world's environment, health, climate, economic and poverty reduction agendas. [Website and further information.](#)

GLOBAL CLIMATE ACTION SUMMIT 12 September to 14 September 2018 San Francisco, California. The 2018 Summit will bring together leaders from state and local governments, business, and citizens from around the world, to demonstrate how the tide has turned in the race against climate change, showcase climate action taking place around the world, and inspire deeper commitments from each other and from national governments — in support of the Paris Agreement. [Summit Website.](#)

BRAZIL IMMERSIVE LEARNING JOURNEY: Join the Sustainability Institute's experiential immersion in the Amazon Jungle from **16 to 24 September 2018** to live with, and learn from, this inexplicable rainforest and its people. This encounter, in partnership with South Collective, will take you deep into the Amazon jungle and delve into local knowledge where explorers will learn about biodiversity, how people live *with* a forest and not *from* it, and how

regenerative thinking can build greater communities. Topics that will be discussed include socio-biodiversity, forest management, water and agroforestry. [Sustainability Institute's Website.](#)

THE 7TH WORLD SUSTAINABILITY FORUM 19 to 22 September 2018 Beijing, China. The World Sustainability Forum (WSF) is an annual sustainability conference organized by MDPI. It is an excellent opportunity for researchers, practitioners, and policy makers to engage with this topic, to expose the urgency of the issues, and to recognize individual, collective, and national opportunities associated therewith. The WSF2018 in China is also an excellent opportunity to sensitize researchers toward national and cultural differences, and how considerable progress can be made in sustainability, despite the multitude of challenges and differences around the world. [MDPI Website.](#)

CLIMATE WEEK NYC 2018 24 to 30 September 2018 New York City, US. Climate Week NYC is one of the key summits in the international calendar and has been driving climate action forward since it was first launched by The Climate Group in 2009. In 2018, Climate Week NYC comes at a critical point in the global response to climate change. The summit will take place alongside the UN General Assembly and will bring together international leaders from business, government and civil society to showcase the unstoppable momentum of global climate action. Climate Week NYC is the collaborative space for climate-related events in support of the implementation of the Paris Agreement and the achievement of the UN Sustainable Development Goals. [Climate Week NYC Website.](#)
