**SWISS-SOUTH AFRICAN HOSPITALITY APPRENTICESHIP PROGRAMME (SSHAP!)** The Embassy of Switzerland and the National Business Initiative (NBI) congratulate all the trainers from Hilton Sandton, Park Inn Sandton and Hyatt Regency Rosebank for completing the **Train the Trainers Course** for the Swiss-South African Hospitality Apprenticeship Programme (SSHAP!) conducted by HTMi-Hotel and Tourism Management Institute, Switzerland. SSHAP! comprises a six-month accelerated dual apprenticeship, with integrated theoretical and practical training, targeting three occupational roles in the hospitality industry: front desk, housekeeping and waitering. The programme is a partnership between the Embassy of Switzerland to South Africa, NBI, HTMi-Hotel and Tourism Management Training Institute, Switzerland, Harambee Youth Employment Accelerator and large hotel groups. Please contact: **Shavilla Harpal** for additional details.

## INDUSTRY NEWS

**TRANSPARENCY IS KEY TO INCLUSIVE EMPLOYMENT AND GOVERNMENT INTEGRITY** Digital transformation, or more precisely The Fourth Industrial Revolution, has inspired tremendous advances in business and government, and has created significant advancement opportunities for both sectors. *Silvia Moschini, WEF, 25 April 2019.*

**THIS IS WHAT GREAT LEADERSHIP LOOKS LIKE IN THE DIGITAL AGE** Digital leadership is about empowering others to lead and creating self-organized teams that optimise their day-to-day operations. Leadership is no longer hierarchical – it needs participation, involvement and contribution from everyone. [Apoorve Dubey, WEF/The European Sting, 25 April 2019.](#)

**FIVE LEADERS “DOING THE RIGHT THING” ON TRANSPORT EMISSIONS** The smell of exhaust fumes is unpleasant and unhealthy, and the gases are known for affecting happiness, intelligence and overall human well-being. Yet millions around the world are forced to breathe in noxious fumes every day as they go about their business—heading for work, going to school or simply stepping out of their homes for a moment. [UN Environment/Responsible Business, 25 April 2019.](#)

**THESE 3 COUNTRIES ARE GLOBAL OFFSHORE WIND POWERHOUSES** Offshore wind energy is one of the world’s most underused resources, with less than one-tenth of wind power based offshore. But the Global Wind Energy Council projects that by 2023 it will account for almost one-quarter of world wind generation. [Douglas Broom, WEF/The European Sting, 25 April 2019.](#)

[CDP Website](#).

**WEF: THE TRANSFORMATION OF INDUSTRY AND BUSINESS: GLOBALIZATION 4.0 | 15 to 16 May 2019 | Geneva, Switzerland** | The need to address the fundamental changes in the functioning of the global economy was at the top on the agenda of the

World Economic Forum Annual Meeting 2019. These changes are driven by environmental challenges, geostrategic competition, economic disparities and technological disruption, which in Davos were conceptualized as Globalization 4.0. The Industry Strategy Meeting is designed to answer these two key questions: How will Globalization 4.0 affect industries? How can the Forum work with business leaders to shape the future of the global economy? [WEF Website](#).

**GREENBIZ WEBCAST: CIRCULAR PACKAGING: THE STATE OF PLAY | 21 May 2019 |** A confluence of forces is roiling the packaging industry. The combination of concerns about plastic waste, the emergence of the circular economy, and the blossoming of advanced, environmentally friendly materials is changing how manufacturers and brands are thinking about packaging. In this one-hour webcast, a panel of industry experts will talk about the trends: where we are, how companies and their packaging suppliers are responding, and the barriers still to overcome.
