

## The Company Commitments

Put a price on carbon

Remove commodity-driven deforestation from all supply chains by 2020

Commit to improve energy productivity

Responsible corporate engagement in climate policy

Commit to 100% renewable power

Report climate change information in mainstream reports as a fiduciary duty

Adopt a science-based emissions reduction target

Reduce short-lived climate pollutant emissions

Improve water security

Investors can take action by making one or more of these commitments

Join the Portfolio Decarbonization Coalition

Report climate change information in mainstream reports as a fiduciary duty

Invest in low carbon assets

Sign the Montréal Pledge for carbon transparency in investment portfolios

Companies can get involved in large-scale, low carbon technology initiatives

Join the Low Carbon Technology Partnerships Initiative (LCTPi)
