NBI Wins NPO Awards: “Social Transformation Initiative of the Year 2023”

The **National Business Initiative (NBI)** is thrilled to announce that we have been honoured with the prestigious “Social Transformation Initiative of the Year 2023” award by Acquisition International, under their Non-Profit Organisation Awards.

This recognition, which is based on the reach and impact achieved by NBI’s various programmes in 2023, celebrates our unwavering commitment to driving and inspiring business action for sustainable growth in South Africa.

Now in our 28th year, the NBI was launched in 1995 by then President Nelson Mandela, as a voluntary coalition of South African and multinational businesses focused on collective action to drive change. We believe that together we can build a South African society and economy that is inclusive, resilient, sustainably driven and based on trust.

We are immensely grateful to Acquisition International for acknowledging our efforts, and we share this award with our incredible member companies, partners and stakeholders, who work tirelessly to make a difference every day, to ensure South Africa’s economy is more sustainable and inclusive.

Join us in celebrating this remarkable achievement and our collective efforts to shape a better future for all.

Be part of the change.

Together, we are making a meaningful difference.
