National Business Initiative

NEWSFLASH **25 SEPTEMBER 2026**

NBI members receive 10% off SEACon 2026 registration

Africa's sustainability agenda is moving from ambition to implementation and business has a critical role to play.

From **30 September to 01 October 2026,** sustainability leaders, business decision-makers, policymakers and practitioners will gather at the **Sustainability & ESG Africa Conference & Expo 2026** to explore how organisations can translate **environmental, social and governance (ESG)** commitments into credible action and measurable impact.

Across two days of keynote addresses, panel discussions and interactive workshops, delegates will engage with some of the most pressing sustainability and ESG priorities facing businesses today.

These include integrating sustainability into business strategy, navigating evolving reporting frameworks, strengthening stakeholder engagement, measuring impact and identifying innovative approaches to sustainable growth.

Alongside the conference, the **Sustainability & ESG Africa Expo** will showcase organisations, initiatives and practical solutions contributing to Africa's sustainability transition, giving delegates an opportunity to discover ideas and partnerships relevant to their own sustainability journeys.

Your conference registration includes:

- Two full days of conference and breakaway sessions
- Access to the Sustainability & ESG Africa Expo
- Networking opportunities
- Knowledge resources
- Professional development
- Entry to the networking cocktail awards function

The programme will also feature the **Beyond Awards** and **Student Innovation Challenge**, recognising organisations, projects and innovators contributing to meaningful sustainability impact across Africa.

Exclusive Discount for NBI Members

As a valued NBI member, you are eligible for 10% off your registration fee. Use the NBI partner code: VXQG4JWT
